*Simple finance options to get hold  
of your Roland DG machine faster*

## A range of finance packages to suit your needs and deliver greater benefits for added peace of mind.

Our three unique rental options take the hassle out of finance with fast approval, no deposit and bundled services, making it easier for you to get hold of the latest technology and grow your business.

**Simplicity and speed** - simple documentation and approval in 24 hours without the requirement of financial statements\*.

**Tax deductions available** - speak with your accountant to find out more.

**Conserves cash** - no deposit and monthly payments over time rather than paying outright.

**Fixed monthly rental payments** - make budgeting easy.

**No balloons or residuals** - just pay one extra month's repayment and own it!

**Government, Education and Corporate sectors** - you may not require capital expenditure sign off when using rental.

**Genuine Roland Inks** - each month inks will be shipped direct to your doorstep\*.

**Annual Service Costs** - as part of our industry leading warranty program, the cost of 6 monthly preventative maintenances are included for the rental term.

**Peace of Mind Insurance** - in case of the unexpected, you are covered for up to \$1000 per annum, for any additional service costs which may be required to keep your machine running.

**Roland DG Academy** - keep your skills sharp with admission to two Academy courses per year for the life of the program.

**Roland Rental**  
is a simple finance package that enables customers to purchase Roland equipment without the upfront investment.

**Roland Rental Plus**  
offers service costs, insurance and Academy training courses tailored to meet your needs – giving you choice, flexibility and peace of mind.

**Roland Rental Platinum**  
delivers simplicity and savings with a complete package of Roland hardware, genuine Roland inks, extended warranty, servicing and training, all wrapped up in one simple monthly payment.
