Benefits of Roland Rental Platinum

Cost Savings - Save up to \$2,000 per year or up to \$10,000 on the life of the product (based on a 5 year agreement).

Bundling - Inks, hardware, software, maintenance and servicing. No monthly purchase orders, accounting payables to different vendors which means far less process and paperwork each month, allowing you to do what you do best.

Simplicity and speed - Simple documentation and approval in 24 hours* without the requirement of financial statements for sums up to \$55,000 inc GST.

Tax deductions available - Speak with your accountant to find out more.

Conserves cash - Small monthly payments rather than one large upfront payment.

Fixed monthly rental payments - Fixed payments throughout the term make budgeting easy.

No residual responsibility - No large lump sum to pay at the end of term, just pay one extra repayment and own it!

Government, Education and Corporate sectors - Rental payments may form part of the monthly operating budget and may not require capital expenditure approval.

Who is Ecolease? Ecolease manage the Roland Rental program on behalf of Roland DG Australia. Capital Finance Australia Limited is the underwriter.

What happens if something goes wrong with the equipment? Outside the manufacturers standard warranty it is the responsibility of the customer to ensure the equipment is maintained in good working order at all times (less fair wear and tear).

Can I add on equipment to my existing rental agreement? Yes you can. Ask us how.

Do the rental payments include insurance? It is the responsibility of the customer to ensure that the equipment is insured at all times.

Who owns the equipment? You own the equipment at the end of the agreed contract term for one additional monthly repayment

Can I cancel and hand back the equipment before the end of term? If you return the equipment before the end of term you must pay for the balance owing. Most clients prefer to upgrade to new equipment and take out a new rental agreement.
